CERTIFICATE IN INTERNATIONAL TRAVEL AND TOURISM

- + National Certificate in Computing Level 3
- + International Travel College Certificate in International Travel and Tourism
- + National Certificate in Travel Level 4

COURSE OVERVIEW

- + This 24 week course staircases from the Certificate in Travel & Tourism. Students who have completed that course automatically meet the entry criteria for this course.
- + This course has an international travel focus, and provides students with a comprehensive range of skills and knowledge suited to a wide range of exciting career opportunities.
- + This course includes practical training in online fares & ticketing and reservations systems and the CODECO airline check in-system used by airlines worldwide.
- + The inclusion of destination training on key international travel markets provides students with important product knowledge.
- + A unique Cruise Ship Diploma programme is a new feature of this course and provides students with up to date product and industry knowledge on this booming sector of the travel business.
- + This course cross credits to the internationally recognised IATA Foundation Diploma, and makes the course an excellent option for students with interests in working overseas.
