DISTANCE LEARNING ONLINE COURSES

NATIONAL CERTIFICATE IN TOURISM CORE SKILLS (NZQA LEVEL 3)

- + This comprehensive programme provides an excellent foundation for your new travel and tourism career, and includes industry qualifications that are recognised nationally and internationally.
- + This is ITC's most popular Distance Online Learning course. It is highly practical and provides you with an important employment edge. You will be fully supported during your studies through your Course Tutor and ITC Online - our Internet Learning Centre.
- + Here's what our successful distance learning students have to say... *"I enjoyed this course so much I found myself talking about it with family and friends all the time. The tutors were wonderful - very supportive and motivating! The resources were excellent and the times allocated for each unit were just right."*
- + All course materials, tutorials, resources, assessments and NZQA fees are included in this course. On completion of the course you will enjoy our Lifetime Job Placement Service.

- + **Duration:** 20 weeks full time [min. 20 hours study per week] or 40 weeks part time [min. 10 hours study per week]
- + **Study Methods:** Online activities, e-books, workbooks and texts, and on-campus workshops (2).
- + **Payment Options:** Cheque / Cash / Bank Transfer / Student Loan*
* NZ Student loans are available to NZ citizens or residents (with at least 2 years' residency)
