

ITC I-Study Resources

Distance learning option for schools without accreditation

Resources to support teaching and study towards the New Zealand Certificate in Tourism, Level 2, are now available for 2019.

To ensure your students get the most from the Distance Learning in Schools I-Study programme please read the information below.

Once you have placed your order this information will be sent on to ITC's school programme mentor/assessor, Judy Webster. She will contact you for information in order to register the student for the learning programme and assessments.

To provide a high level of support to your students it is important that we can contact them via email. Judy will copy you in on any correspondence and provide you with updates on student progress.

Once the assessments have been marked by ITC your school will report the credits to NZQA using ITC's provider code.

All workbooks, resources and online courses are updated annually.

Paper based
\$150+GST

Online
\$75+GST

Consistent teacher and student support provided throughout the course. We guarantee prompt marking and notification of results !

**For more information or any queries, please contact
Ceri Jenkins at ceri@itc.co.nz**
