Do you want to work in a vibrant, fun career where no two days are the same? Do you dream of travelling the world and experiencing different cultures first hand? Then look no further, the Airline, Travel & Tourism Industries are for you and this degree will take you places!

This unique and exclusive degree program covers all areas of the industry so you get the best of everything! While studying, you will be able to work part time and when you graduate from the Diploma course at ITC, you will have the option to work for one year before continuing your Degree studies (just 2 more years of study). After achieving your Bachelor Degree, you will be able to apply for another Post Study Work Visa - this time it will be valid for 3 years! Whether you stay in the amazing tourism destination of NZ or head overseas again, with these valuable qualifications and industry experience, your job opportunities will be endless.

The International Travel College of New Zealand (ITC) is a premium supplier of training courses for the Airline, Travel & Tourism Industries in New Zealand, so this is the perfect place to start your Tourism Degree journey. Winners of multiple awards, including the NZ Tourism Awards, you can be confident in choosing ITC to kick start your exciting career! We are registered with the New Zealand Qualifications Authority (NZQA), the Ministry of Education, Immigration NZ and the International Air Transport Association (IATA/UFTAA). Students can be assured of the very best in training and education at ITC!

ITC has 2 campuses in Auckland (with one right in the centre of the city) and 1 in Christchurch. There are various types of accommodation options available to students within walking distance. Our facilities are excellent and we promise the best tuition and resources. We have our own Airport Training Centre (check-in, boarding and aircraft cabin area) which helps us give students the practical skills essential for the industry. Our courses include internationally recognised qualifications such as IATA airfares and ticketing and the Amadeus computer reservation system. Small classes allow for greater interaction and support from our tutors, who all have industry experience and teaching qualifications. Our Student Services team provides additional Pastoral Care to students and family members can feel comfortable in the knowledge students are not just "another number" here at ITC!

The Southern Institute of Technology is a government accredited tertiary provider with campuses in 5 locations that offers a wide range of qualifications, including degree, postgraduate and master degree level. Queenstown is the adventure tourism capital of the world, so is a great option if you wish to pursue this area of the industry as well as explore the South Island of NZ.

Auckland Institute of Studies (AIS) are one of the largest private tertiary education providers in NZ. They offer degree and postgraduate study options in Mt. Albert, Auckland. AIS have been operating since 1990 and are a great option to continue your degree studies if you wish to remain in Auckland.

If your level of English needs improving before coming to ITC, don't worry, we have a number of pathway options with partner English schools in NZ, just contact us for more details. We have multiple intakes throughout the year and the perfect course to suit your career goals. The tourism industry is growing 'year on year' and ITC graduates have excellent job outcome rates, both in NZ and internationally!
